From the Editor

For the third year in a row, Peaks Woodturners will have a presence at the **Coconino County Fair**. This year we will be at the fair on **Saturday August 31 and Sunday September 1**.

For those of you who are new to the club, we will have a mini-lathe and will be demonstrating woodturning. In addition, we will have items that club members have turned for sale. Proceeds from these sales go to the club treasury.

Demonstrating at the county fair and talking to people as they come by give the opportunity to educate people about the art of woodturning. It also is an opportunity to get

young people interested in woodturning and perhaps recruit new members.

Since all club members also are members of AAW this year, all members are eligible to demonstrate. You don't have to turn a work of art. What's important is to get people interested and make wood chips fly!

Fair organizers are enthusiastic about our continued participation in the fair. So, it's important for everyone to participate. If you aren't comfortable demonstrating, we can always use help with sales and just talking to people about what the demonstrator is doing. (It's difficult to talk with a respirator and/or face shield on!) We also need extra hands on deck to set up and tear down both days.

It's a lot of fun so be sure to mark out a couple of hours on one or both days to participate. There will be sign up sheets at the August meeting.
